Summary

The web framework for perfectionists with deadlines Django Django The web framework for perfectionists with deadlines. Built by experienced developers, it takes care of much of the hassle of web development, so you can focus on writing your app without needing to reinvent the wheel. Django was designed to help developers take applications from concept to completion as quickly as possible. Donate today Latest news New Features GitHub repo and project Announcing an experimental new process for proposing ideas and features to the Django project. Posted by Emma Delescolle on April 26, 2025 Django Admin Theme Roundup 2025 Did you know you can customise the admin theme Heres a roundup of packages that transform the Django admin interface.
